Secret Christmas Project

**Seeing The
Possibilities;
not the
disabilities!**

Secret Christmas is a project in which individuals, clubs, and departments of businesses and churches provide gifts, hygiene items and cookies for adults and teens 13+ yrs old, who have intellectual, cognitive, or related developmental disabilities. The majority of those served live in special home settings and demonstrate extreme financial need, with little or no outside support to cover their clothing, grooming, transportation, and social needs.

This project provides Christmas gifts to 250 individuals who are above the age for assistance from other community programs, yet they have a need for a special care package at Christmas.

If you would like to help us with this project, please complete the following information and return this page.
